Pour Cancellation Charge:

A minimum of \$600.00 will apply to all pour cancellations. The \$600.00 includes expenses incurred for the first ready-mix truck, batcher and loader operator. For each additional ready-mix truck an additional \$200.00 charge will apply. Notice of pour cancellation must be received the day prior to the pour.

Terms & Conditions

- All material delivered will be invoiced according to the price list in effect at the time, unless a written agreement states otherwise. Payment for Cash on Delivery (COD) orders is due prior to the concrete being unloaded. Payment for orders on account is due thirty (30) days from date of invoice. Interest charges of 1% per month or 12% per annum will be charged for any overdue payment.
- All Concrete is prepared according to the specifications published by the CSA A.23.1-09. Any alteration made to the concrete at the construction site upon the client's request, by the client and/or client's representative, (addition of water) will annul the manufacturer's guarantee of strength.
- The client must supply the manufacturer an environmentally secure place or container to dispose of the residue from cleaning of the trucks.
- The client must assume the cost of creating safe access to the construction site, must guide the concrete truck operator from public access, and must oversee the unloading. Any damage to public or private property remains entirely the client's responsibility.
- The client must assume all responsibility for ensuring that the appropriate methods are used to protect the quality of the concrete, as per CSA.
- Applicable HST will be added. Further increases in taxes will be charged.
- Prices subject to change without notice

All Concrete pricing subject to an escalator of \$7.00/m³ each January 1st.
